GOLDER RANCH FIRE DISTRICT RECEIVES AWARD FOR FINANCIAL REPORTING

Golder Ranch Fire District has been awarded the Certificate of Achievement for Excellence in Financial Reporting by the Government Finance Officers Association of the United States and Canada (GFOA) for our comprehensive annual financial report (CAFR). This is the highest form of recognition for governmental accounting and reporting. Attaining this certificate is a significant accomplishment by a government and its management.

Additionally, Golder Ranch Finance Manager Dave Christian has been recognized with an Award of Financial Reporting Achievement for his preparation of the award winning CAFR.

This is the third year in a row that Golder Ranch Fire District and Finance Manager Dave Christian have received these honors from the GFOA. According to the GFOA, "The CAFR has been judged by an impartial panel to meet the high standards of the program including demonstrating a constructive "spirit of full disclosure" to clearly communicate its financial story and motivate potential users and user groups to read the CAFR."

"Golder Ranch Fire District strives to meet the highest standards of transparency and fiscal responsibility," said Fire Chief Randy Karrer. "The work of Dave Christian and his finance department, demonstrate our commitment to these principles that is found within each area of our organization. We are all very proud of Dave and look forward to many more of these recognitions."

The GFOA is a non-profit professional association serving approximately 17,500 government finance professionals.
