

GOLDER RANCH FIRE DISTRICT FEE SCHEDULE

I. TITLE

All rules and regulations contained herein, together with additions and amendments as may be hereafter adopted, are hereby designated as the "Golder Ranch Fire District Fee Schedule."

II. AUTHORITY

This Fee Schedule is adopted through a resolution of the Golder Ranch Fire District Board of Directors, pursuant to Arizona Revised Statute 48-805, Paragraph B, Section 13 which reads as follows:

[A fire district, through its board or elected fire chief and secretary-treasurer, may:] Adopt resolutions establishing fee schedules both within and outside of the jurisdictional boundaries of the district for providing fire protection services and services for the preservation of life, including emergency fire and emergency medical services, plan reviews, standby charges, fire cause determination, users' fees, facilities benefit assessments or any other fee schedule that may be required.

III. PURPOSE

The purpose of the Fee Schedule is to provide for the reimbursement of costs incurred by the Fire District for responses to emergency incidents, hazardous material incidents, malicious incidents, medical calls, motor vehicle collisions, non-emergency incidents, nuisance incidents, special events, technical rescue events, and incidents caused by negligence and/or willful disregard for established fire and life safety codes. Additionally, the Fee Schedule shall be applied to responses to non-district residents and/or those responses not covered under an approved mutual or automatic-aid agreement. The Fee Schedule also provides for the reimbursement of costs incurred for the use of Fire District facilities, personnel, and/or equipment; as well as, Fire and Life Safety services.

IV. LIABILITY

The Golder Ranch Fire District shall, at its sole discretion, determine whether or not district resources and/or personnel are available for reimbursable services cited within this document. Furthermore, all persons responsible for the enforcement or application of the Fee Schedule shall not be liable for any damage or injury to persons or property arising out of or relating in any way to the application or enforcement of this Fee Schedule.

V. DEFINITIONS

Unless the context specifically indicates otherwise, the meaning of terms used in the Fee Schedule shall be as follows:

- a. Emergency Incident shall mean those incidents that require fire, rescue and/or medical response in an immediate fashion, following established emergency response protocols.
- b. District shall mean the Golder Ranch Fire District.

- c. Emergency Personnel shall mean personnel who are employees of the Golder Ranch Fire District during their involvement in an emergency or non-emergency incident/event.
- d. Hazardous Material Incident shall mean those incidents involving the release of any product that could prove a danger to health or the environment.
- e. Malicious Incident shall mean those emergency incidents which stem from an individual's intentional purpose to cause property damage, endanger lives, and/or cause the response of emergency personnel for other than an actual emergency.
- f. Medical Call shall mean those emergency incidents in which the Golder Ranch Fire District responds in conjunction with the ambulance service provider.
- g. Motor Vehicle Collision shall mean incidents involving one or more motorized vehicles including cars, trucks, buses, planes, helicopters, trains, motorcycles, and the vehicles and trailers being pulled by motorized vehicles.
- h. Non-Emergency Incident shall mean those incidents which allow for fire, rescue and/or emergency medical response in a less urgent fashion, following established non-emergency response protocols.
- i. Non-Permitted Burns shall mean the intentional disposal of debris without the written permission from the Golder Ranch Fire District.
- j. Nuisance Incident shall mean those incidents that are of the same nature, on a repetitive basis, at the same location, due to the lack of servicing to mechanical and/or electrical equipment of an emergency system, or the failure to correct a previously documented fire hazard, or false reporting of an emergency incident or any other fire department response that is deemed unnecessary by the Fire Chief, including but not limited to false alarms caused by carelessness.
- k. Special Event shall mean those non-emergency events that occur within and/or outside the Golder Ranch Fire District that require the presence of Emergency Personnel employed by the fire district, or as requested by the owner of the involved property or event coordinator.
- l. Technical Rescue Event shall mean incidents that require rope rescue, confined space rescue or technical rescue services and/or extrication.
- m. Wildland Fire shall mean any outside fire involving general natural combustible materials, other than a permitted burn, with no restriction concerning area involved, or size of any damaged area.

VI. ELIGIBLE EXPENSES/INCIDENTS

The following types of occurrences and incidents that involve the response of Golder Ranch Fire District personnel and/or resources are eligible for invoicing pursuant to this document.

- a. Fire protection services

The established reimbursement rates are published within the Fee Schedule. Payment of the invoice shall be due within 30-days of the invoice date, and interest shall accrue at a ten percent (10%) Annual Percentage Rate (APR) beginning the thirty-first (31st) day.

IX. ADMINISTRATIVE APPEAL

Whenever a violation of this Fee Schedule has been found, the aggrieved party may request an administrative appeal to the Fire Chief in the following manner:

- a. The appeal shall be in writing and delivered to the Golder Ranch Fire District Fire Chief within ten (10) calendar days of the original invoice date. The letter must contain detailed information explaining the basis of the appeal.
- b. The Fire Chief shall consider the appeal within ten (10) calendar days of the receipt of the appeal and the applicant may be required to meet, in person, with the Fire Chief.
- c. If the appeal is denied, the invoiced party must submit full payment of the invoiced amount or file an appeal to the Golder Ranch Fire District Board as outlined in section ten (X) of this document, entitled Board Appeal.

X. BOARD APPEAL

An administrative appeal, that has been denied, may be appealed to the Fire Board. The appeal shall be in writing and shall be submitted within ten (10) days of the decision rendered by the Fire Chief in the administrative appeal. The board appeal shall be acted upon within thirty-five (35) days after the receipt of the appeal notice. Upon such appeal, the Fire Board shall request the aggrieved party's attendance at the appeal hearing and shall act to reverse, affirm or modify, in any regard, the original invoicing determination of the Fire Chief. The Fire Board will issue a written decision to the aggrieved party within fifteen (15) days of the appeal decision.

Arizona Revised Statutes 39-121.03

A. When a person requests copies, printouts or photographs of public records for a commercial purpose, the person shall provide a statement setting forth the commercial purpose for which the copies, printouts or photographs will be used. Upon being furnished the statement the custodian of such records may furnish reproductions, the charge for which shall include the following:

1. A portion of the cost to the public body for obtaining the original or copies of the documents, printouts or photographs.
2. A reasonable fee for the cost of time, materials, equipment and personnel in producing such reproduction.
3. The value of the reproduction on the commercial market as best determined by the public body.

B. If the custodian of a public record determines that the commercial purpose stated in the statement is a misuse of public records or is an abuse of the right to receive public records, the custodian may apply to the governor requesting that the governor by executive order prohibit the furnishing of copies, printouts or photographs for such commercial purpose. The governor, upon application from a custodian of public records, shall determine whether the commercial purpose is a misuse or an abuse of the public record. If the governor determines that the public record shall not be provided for such commercial purpose the governor shall issue an executive order prohibiting the providing of such public records for such commercial purpose. If no order is issued within thirty days of the date of application, the custodian of public records shall provide such copies, printouts or photographs upon being paid the fee determined pursuant to subsection A.

C. A person who obtains a public record for a commercial purpose without indicating the commercial purpose or who obtains a public record for a noncommercial purpose and uses or knowingly allows the use of such public record for a commercial purpose or who obtains a public record for a commercial purpose and uses or knowingly allows the use of such public record for a different commercial purpose or who obtains a public record from anyone other than the custodian of such records and uses it for a commercial purpose shall in addition to other penalties be liable to the state or the political subdivision from which the public record was obtained for damages in the amount of three times the amount which would have been charged for the public record had the commercial purpose been stated plus costs and reasonable attorney fees or shall be liable to the state or the political subdivision for the amount of three times the actual damages if it can be shown that the public record would not have been provided had the commercial purpose of actual use been stated at the time of obtaining the records.

D. For the purposes of this section, "commercial purpose" means the use of a public record for the purpose of sale or resale or for the purpose of producing a document containing all or part of the copy, printout or photograph for sale or the obtaining of names and addresses from public records for the purpose of solicitation or the sale of names and addresses to another for the purpose of solicitation or for any purpose in which the purchaser can reasonably anticipate the receipt of monetary gain from the direct or indirect use of the public record. Commercial purpose does not mean the use of a public record as evidence or as research for evidence in an action in any judicial or quasi-judicial body.
