## JOB ANNOUNCEMENT

### Applications Specialist

Pay Grade 38 (Non-Exempt)

(\$23.41/hr - \$31.37/hr)

Starting Wage \$23.41/hr

(Estimated Annual Wage \$48,695)

#### Primary Function:

This position will be part of the team that is responsible for the development, maintenance and support of all the database related systems and applications for Golder Ranch Fire District. This person will work with staff and technology representatives to develop new reports and processes, in addition to refining existing ones. This position's primary role is to support users with applications related to fire records, electronic patient care reporting and other existing applications. Additionally, this position provides assistance in resolving application problems for other contracted intergovernmental agencies as needed.

#### Minimum Qualifications:

- Must possess an Associate's Degree in Computer Science or related field from an accredited college or university recognized by the U.S. Department of Education

OR

Equivalent years of work experience and the ability to obtain the degree and meet this educational requirement within three (3) years of the date of appointment to the position (as a condition of employment).

- Two (2) years full-time work experience with responsibility in technical software and hardware, PC support or any equivalent combination of experience, training, and education.
- Basic understanding of PC hardware and software.
- Basic understanding of wireless networking, wireless network components and devices to include cellular based mobile devices and tablets.
- Must possess and maintain a valid Arizona Driver's License with acceptable driving record.

#### Preferred Qualifications:

- Experience working with SAP Crystal Reports
- Experience with ZOLL - Data Management Software
- Experience with Microsoft SQL 2008 Server systems or newer
- Experience with Microsoft Windows 2008R2/2012 systems or newer
- Experience with Microsoft Enterprise Domain Structure
- Experience working in a Public Safety networks and/or applications environment
