

GOLDER RANCH FIRE DISTRICT

Firefighter I and II Practical Skill Sheets

Turnout Ensemble Donning

Standard:

NFPA 1001: 4.1.2 (2019 Edition)

Task/Performance Outcome:

The candidate shall demonstrate the ability to safely and correctly don their full turnout ensemble within 60 seconds. Upon the candidate clapping their hands, the turnout ensemble should be completely donned and operationally ready according to manufacturer and district guidelines. Once complete, the candidate must doff their turnout ensemble and prepare it for reuse.

Required Personal Protective Equipment (PPE):

Class C uniform

Critical Fail Criteria:

Failure consists of the following:

- Failure to wear the required PPE
- Failure to physically address their accountability on the passport of their assigned apparatus
- Glaring, gross errors, as documented by the evaluator
- An apparent lack of efficiency and comfort with the activity, as documented by the evaluator
- Less than 80% of available points scored
- A time greater than 60 seconds

Evolution Details:

Candidate is standing behind their turnouts in a class C uniform. The turnouts are laid out as follows:

- Boots are flat on the ground and directly in front of the candidate.
- Turnout pants are slid down over the boots.
- Suspenders draped over the top of the boots with the loops around the boot openings.
- Hood placed upside down inside the right turnout boot with face opening towards candidate.
- Turnout coat arms crossed in the front and the coat is folded in half. The coat is set on the ground in front of the boots. The top of the coat is farthest from the candidate.
- Firefighter gloves laid flat on top of the turnout jacket, face down, and with the fingers away from the candidate.
- The helmet is face down on top of the turnout jacket covering the gloves.
- The candidate will be given 60 seconds to don their turnouts without any safety violations.
